Welcome to Louisa, our new Hygienist:

We are very pleased to introduce our new hygienist Louisa McPhee. Louisa has joined us after working at the Eastman Dental Hospital and at several local Private practices. She has recently been employed by Colgate to teach their employees how to brush their teeth properly!!

Louisa will be available at the practice initially on Thursdays. We would love to extend her hours to Saturdays as well as other days in the week, as she gets busier. If you are due for your six monthly or 3 monthly clean, please do book in on a Thursday if possible. Louisa will be available from 8am -7.30pm.

If you are popping in to see Dr Little for an examination, we would encourage you to arrange your clean with Louisa before or after your appointment with Dr

Little. If you prefer to attend the practice on a day when the hygienist is not here, then Dr Little would be happy to carry out your clean for you.
